Toyotire® Proxes® A20 Selected as OE on 2011 Nissan® Murano® CrossCabriolet™

CYPRESS, CALIFORNIA – Toyotire U.S.A. Corp. announced today that its Toyotire® Proxes® A20 tire will be fitted as original equipment on Nissan's innovative-new 2011 Murano® CrossCabriolet™. The 2011 Murano CrossCabriolet will be available for sale this week.

The Proxes A20 is an all-season tire specifically designed to reduce noise and improve both wet and dry performance, while maintaining ride comfort. Reduced rolling resistance for improved fuel economy is also an attribute of this tire.

In addition to the 2011 Murano CrossCabriolet, the P235/55R20 102T size Proxes A20 comes standard on the four-wheel drive LE trim level of the Murano.

To learn more about the full line of tires from Toyotire®, log on to [www.toyotires.com](http://www.toyotires.com). Toyotire manufactures and distributes a complete line of replacement tires for high performance cars, luxury vehicles, light trucks and SUVs as well as tires for commercial trucks, buses and off-road and construction applications.
